Ensuring Respectful Maternity Care

Alternative Birthing Positions in Gujarat

Workshop started with inauguration session on 22nd July 2019 in presence of Dr. Sukhanandi, Deputy Director (Nursing & MH), Dr. Narayan Gaonkar, Health Specialist (UNICEF Gujarat), Dr. Himanshu Joshi (HoD, Paediatrics, GMERS Gandhinagar) and Ms. Inderjeet Kaur from Fernandez Foundation, Hyderabad.

First half of the first day was technical session followed by three and half days of hands on training in the labour room of GMERS Hospital Gandhinagar. Dr. Arun Singh, National Advisor for RBSK program visited the training and provided his guidance to the participants on third day of training.

On 29th July, 2019 every organization drew up their plan to provide Respectful Maternity Care to women coming to their labour rooms. Detailed discussion was facilitated by Dr. Bipin Nayak HoD Ob-Gy, GMERS Gandhinagar and Dr. Apurva Ratnu (Maternal Health Consultant) from UNICEF Gujarat.

Participation certificate was provided to every participant by Dr. R Dixit Additional Director (Medical Education), Dr. Sukhanandi Deputy Director (Maternal Health) and Inderjeet Kaur from Fernandez Foundation. Workshop concluded with vote of thanks by Dr. Bipin Nayak to all participants and facilitators.

Dr Sheena Byrom, OBE – A Brief Profile

Dr Sheena Byrom was one of the first consultant midwives in the United Kingdom and has been practicing with UK's National Health Services for over 25 years. Listen to Dr. Byrom as she speaks about what Midwives can do in humanizing birth, the challenges faced by midwives, mothers and families, and potential solutions to support midwives in their quest to continue to provide respectful maternity care.
